

God's Perspective When Life Hurts

by Darlene Kordic

*Join us, as we learn how to
trust God even in the midst of life's adversities!*

Have you noticed that life can be hard—really hard? If God is truly a God of love and in control of all things, why does He allow so much suffering, tragedy, and adversity in the world and more personally, in my life? If you have ever wrestled with this question or similar ones, this Bible study is for you! Come join us as we delve into the Scriptures to find the life-changing truths of God's Perspective When Life Hurts.

"There are a lot of great books about God's perspective on suffering. However, there is little help on how to walk out a theology of pain in daily life. Because Darlene has daily yielded her suffering, the Lord has equipped her to show others the practical application of understanding pain from God's perspective."

~ Dr. Juli Slattery, Clinical Psychologist, President and
